Dear Clerk,

I am confused as to what is going on in the above case because I did not and do not want my case heard in a magistrate court. I had requested and still wish to have a Jury Trial in front of a district court judge. May you please notify me as to why and how is my case being sent to a magistrate court because I hadn't received nor did I sign any forms requesting magistrate court. Thank you in advance for taking the time to read this letter and helping me in this matter.

P.S.

Mr. Dolles please forgive me if I am
being a problem but I am only trying
to exercise my rights and I am ignorant
to the law but I am trying to learn so
that I may protect my rights. I have also
returned these 2 letters sent by you because I
see that one says "Magistrate Consent Form" and
there was no form in it.
